## TextMyGov Announcement

The City of Golinda is excited to launch TextMyGov, a new, smart text messaging service! Residents can receive important notifications and text the city to find specific information.

Golinda will officially launch the new text messaging system to the public on Thursday, December 19, 2024. Residents may receive a text message from **91896** from the City initiating the service. You can choose to opt out at any time by texting **STOP**.

If you don't receive the initial message, you can choose to opt-in by texting the keyword **"GOLINDA"** to the number **91896**. After sending the initial keyword, you will be asked to reply **"YES"** to confirm opt-in.

Also starting soon, residents will be able to receive on-demand information 24/7 by texting 1-2 keywords to the City's TextMyGov number: (254) 857-5222. You'll be able to get quick information about **Water Issues, Meetings & Events, Burn Bans and other City information**.

Golinda's use of this technology is another example of how our community is enhancing resident services by implementing 21<sup>st</sup>-century solutions. We're excited about this new way of communicating with residents and we look forward to sharing important city notifications. Other governmental entities across the country are utilizing this system with great success. Stay informed, stay ahead.

Sincerely,

*Joyce Farar*

Mayor City of Golinda
